

# MULTIS COMPLEX ET

GREASE

Multi-purpose, adhesive, lithium complex grease

## APPLICATIONS

Adhesive,  
multi-purpose,  
extreme pressure  
industrial & automotive  
grease

- **MULTIS COMPLEX ET GREASES** are designed for the lubrication of all applications operating under severe conditions, particularly under high load and high temperature conditions in which conventional lithium soap grease is no longer sufficient.
- **MULTIS COMPLEX ET GREASES** are multi-purpose greases, specially formulated for the lubrication of ball bearings, plain bearings, and roller bearings subjected to impacts and vibrations in transportation, agriculture, and off-road vehicles. These greases are also suitable for general purpose industrial applications requiring high temperature, extreme pressure grease.
